Flights to Naples are probably cheapest with EasyJet. To get to Pompeii take a bus from the Naples airport to the railway station and then the local train to Pompeii. Hotels are about 50eu for a room per night.

We are staying at are the Motel Villa dei Misteri and the Hotel degli Amici.

info@villademisteri.it info@hoteldegliamici.it For camping (where I shall be) the site *Camping Zeus* is next to the hotel: info@campingzeus.it and is about 12eu a night.

Transport to Oplontis from Pompeii is not provided but most of the group use the local train (one stop). Please note it can be hot so bring sun cream and insect repellent! Any queries email me at info@kafs.co.uk or in Naples call my mobile on 07885 700 112.
